Coach Eastlund Muses . . .

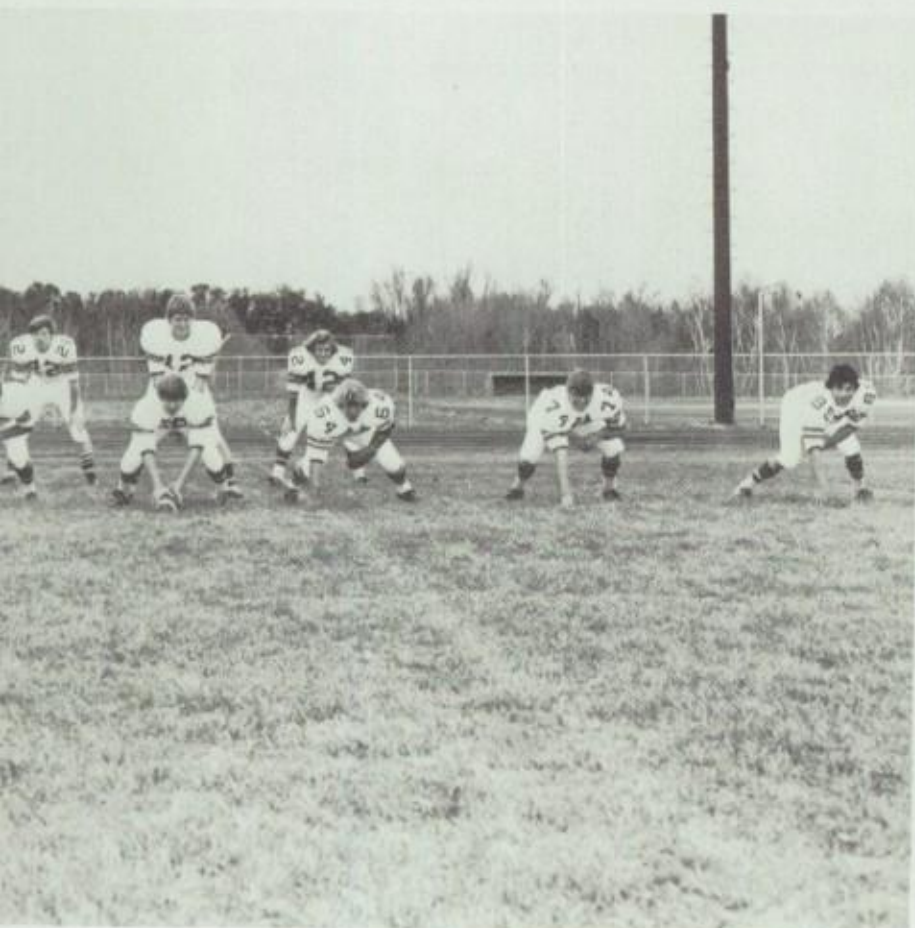

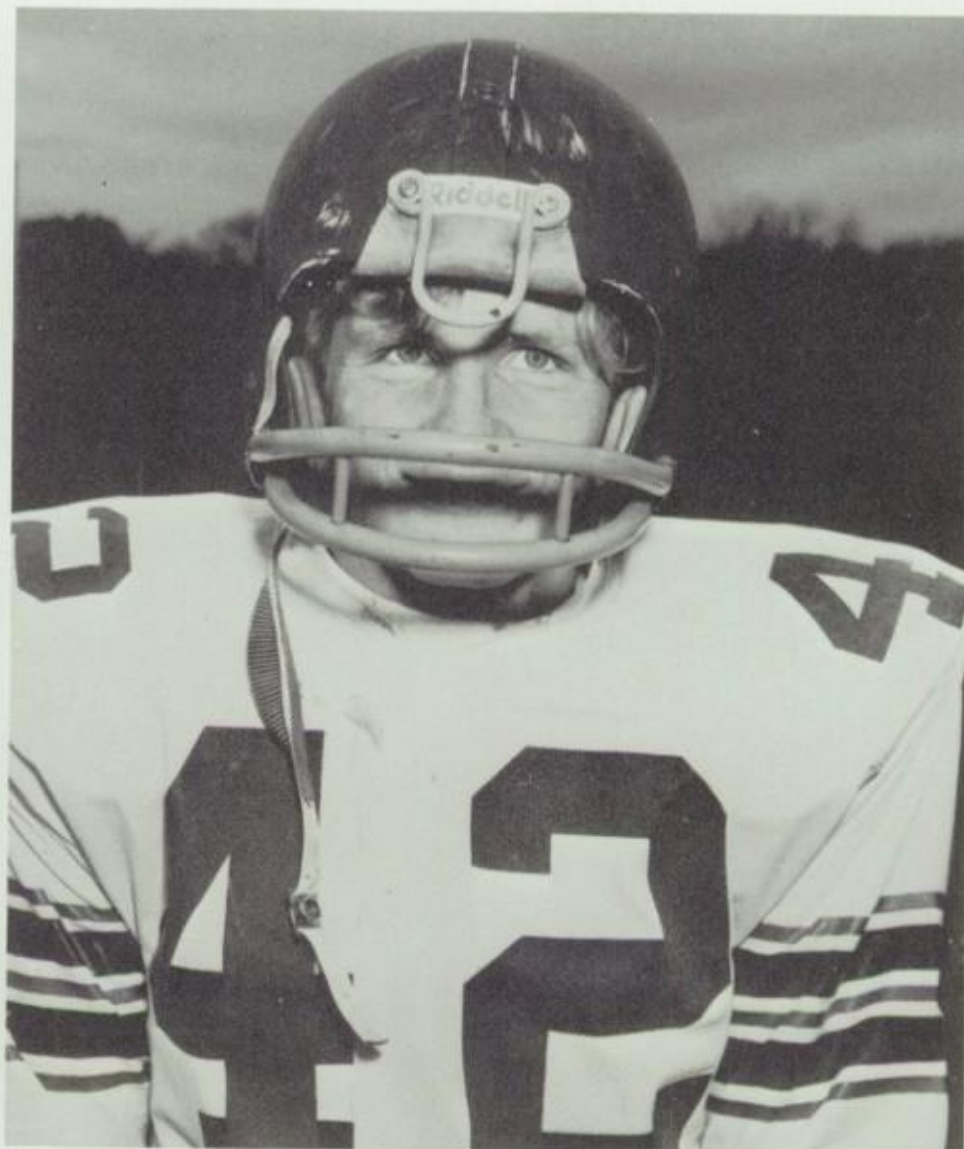

"Records are often misleading as to the complexion of a season. I suppose with an 0 to 9 season, it might seem hard to find something positive to say, but I don't feel that's the case at all in this situation. The 1975 St. Francis football team is made up of one of the finest group of young men I have ever coached. Potentially St. Francis has the capability to produce good quality, winning football. But making potential turn into reality takes commitment and a lot of hard work. If future teams can follow in the standards set by the 1975 team in some areas, we will start the progress toward what we are potentially able to do."

--Coach Eastlund

Editor's Note: The Junior-Varsity football squad won four and lost four, while the 9th grade team managed to reap three wins and four losses during the 1975 season.

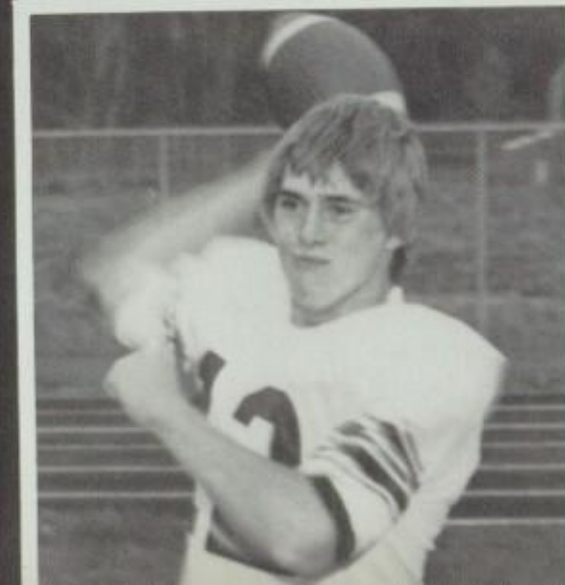

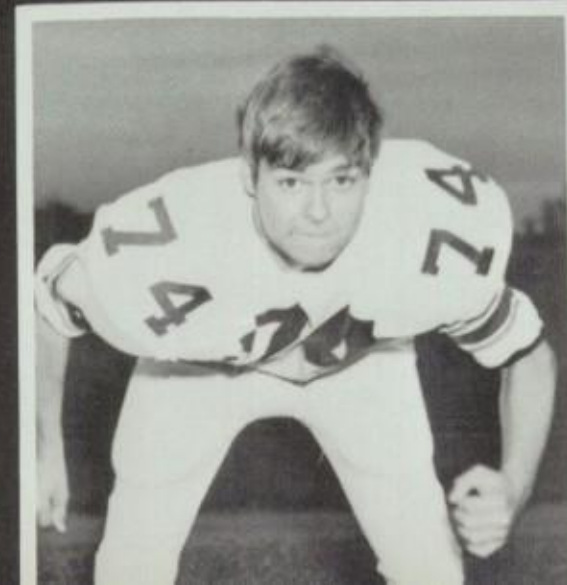

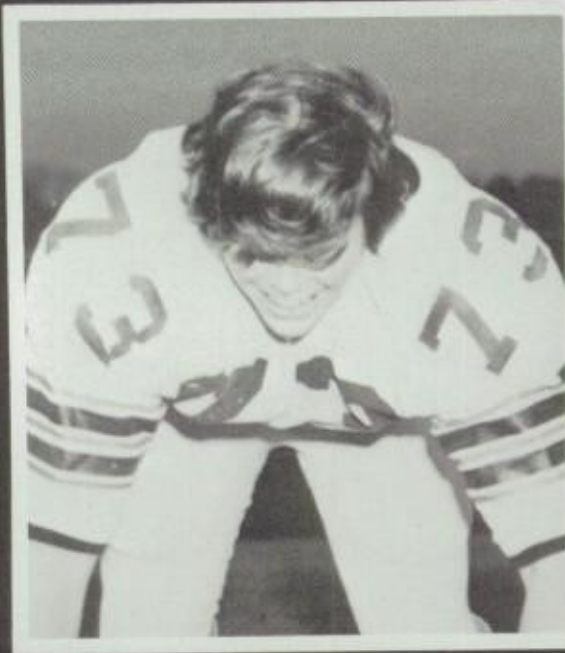

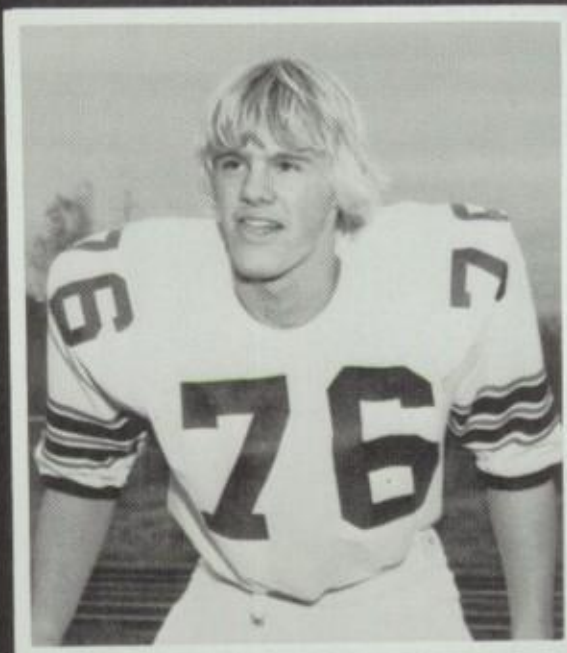

St. Francis jocks scored 18 points against Minnehaha Academy's team and only lost the game by 2 points. 3Stan Tischer, captain of the '75 football team, played both offense and defense and was elected to the All-Conference Team by the Tri-Metro coaches. 4Punter Jay Smith played hard whether injured or not and managed to score three touchdowns in the '75 season. 5The Saints offensive team had an encouraging season. 6Some Tri-Metro Conference games were played in the Minneapolis Parade Stadium--as was this one, the last of the season in which St. Francis faced Marshall-U High.

SFHS Hit By First Love

For the first time in its history, St. Francis High School had a girls tennis team. "This team had the desire to win," stated Coach Ronning, another first here at St. Francis High School. Coach Ronning felt the team would rank anywhere No. 1 in desire to win. "Inexperience was a cause of only four wins," added Coach Ronning.

Team standouts were Marlys Skogquist and Lori Carlson. Marlys played number 2 behind Lori and won the most matches for the team. She was also voted Most Valuable Player. Diane Dropps was voted Most Improved Player by a squad on which each member had improved a great deal, according to Coach Ronning. "Since Marlys and Diane are only freshmen, they both could have a tremendous future ahead of them with hardwork," enthusiastically interjected Coach Ronning. He concluded, "Our team defeated a strong Cloquet team in the Sub-sectionals, and can, and most likely will do it again, with 7 girls returning with experience."

SF Girls Volleyball Machines Take 17 Wins In '75 Season

"This year I have had the most outstanding individual players that the team has seen in two years of play," commented Varsity Coach Larson. She added, "The major problems were the inability of the girls to play as a team and its lack of confidence." Both Coach Larson and JV Coach Esmay like the enthusiasm and hustle of the Junior Varsity squad. "These girls worked well together, observed Coach Esmay, and further commented, "Next year I will be looking forward to seeing their talent added to the potential of the A-Squad."

Two Varsity players were cited for outstanding achievements. Diane Krause, co-captain with Kay Anderson, received All-Conference rating for the second year in a row. Myra Stroeing captured the award of Most Improved Player. The Varsity Volleyball Machine ended the season with a record of three wins and 11 losses.

JV co-captains Barb Lindemann and Cheryl Larson led the Junior Varsity team to defeat No. 1 rated team Marshall-U High. They ended the season by capturing second place in the Tri-Metro Conference.

Rock Around The Clock

CC Team Cops 7th Tri-Metro Spot

This year's cross country team, captured by Tony Davis, took 7th place in the Tri-Metro Conference, up 2 places from the previous year's 9th place standing. (There are only 9 teams in the Tri-Metro Conference!) Some of the top runners will be returning next year as juniors. Coach Trygstad, now having finished his second year coaching the St. Francis cross country team, "is building a team that the school will be proud of in the future." In fact, the St. Francis cross country program seems to be improving in general. This year the Middle School's team took second place in the Tri-Metro Conference. Two members of the girls team merited recognition on the state level. Deb Seel, a senior, took 11th place in the region while Pam Ambrosch, a sophomore, took 19th. Coach Trygstad hopes to see more girls out for next year's team.

We (the Science Club, in case you hadn't guessed from the page title) started out the year with marshmallows (roasted over Bunson burners, of course) and pizza rolls. Our main goal is to put on a scientific magic show for the elementary school. With all that ambition, who knows? Today St. Francis; tomorrow, the world!!!

TEN LITTLE INDIANS Spooks Auc

"Ten little Indian boys went out to dine; One choked his little self and then there were nine." Agatha Christie's play, TEN LITTLE INDIANS, which St. Francis High School students chose as their fall play and presented on November 13, 14, 15, involved a series of mysterious deaths on a remote island. Some of the scenes from the play are presented on this page.

Terrific team! Lots of young, new talent combined with lots of ambition, a dash of experience and good coaching promised a good season for the girls gymnastics team. New equipment and a place to practice lured the team to hard daily practices from 2:45 pm. to 4:15 pm. Only the 56 tables and 224 chairs to be moved daily presented a challenge. Award meets were a "riot"! The girls all partook in dancing to the radio and getting all excited, while Coach Lacher lost her voice telling us to rest, and relax. The win/lose record is as follows: B Squad--6 wins and 2 losses. A Squad--5 wins and 6 losses.

B SQUAD--L. TO R.--ROW 1: Coach Upgren, Coach Lacher. ROW 2: Manager S. Staber, K. Karlsgodt, D. Skalicky, J. Kenney. ROW 3: J. LaRue, C. Tadych. INSIDE: D. Julkowski, G. Minor, K. Schwab, C. Bonde, V. Axen. TOP: R. Moore, D. Carlson, D. Paris. 2 1975-1976: Letterwinners: P. Ambrosch, C. Larson, C. Tews, B. Skalicky.

1A SQUAD: L. TO R.--ROW 1: D. Brown, K. Kelleher, D. Thorson, P. Ambrosch, M. Sarempa. ROW 2: Coach Upgren, K. Cofield, C. Tews, H. Ford, B. Skalicky, K. Anderson, C. Larson, A. Bigelbach, Coach Lacher. 2 Bern Skalicky (CENTER) coached by Jean Upgren, (LEFT) and Mardi Lacher (RIGHT) was one of the top ten scoring gymnasts in the Tri-Metro Conference for which she was named to the ALL CONFERENCE GYMNISTS for 1976.

Novice Girls Basketball Team Takes Total Of 8 Victories

"Most of the girls who came out for basketball this year didn't know anything about the rules of the game," commented Coach Haderly, "but they all learned very well and showed it." The whole group displayed a lot of team spirit and worked well together." Although St. Francis was one of three teams in the Conference with a first year team, the B squad lost several of their games by only a few points and ended the season with a record of five wins and nine losses. The Varsity girls' team, playing more experienced teams, finished the season with a record of three wins and 11 losses, ranking them in fifth place in the Tri Metro Conference. "With a basketball program initiated at the Middle School and all but two seniors, Myra Stroeing and Diane Krause, returning next year, both Coach Clarkin and I are looking forward to a successful season in girls' basketball in future years," added Coach Haderly.

Smith, Larson Lead Saints

"We had a good season and improved in our standings in the Conference," boasted Coach Trygstad. The overall season record recorded three wins and 17 losses, with eight of these losses to teams which scored only two to four points more than the Saints. "The boys played enjoyable basketball this year. They played enthusiastically, even when they faced loss," commented Coach Trygstad. Steve Smith, whom WCCO selected for the All-State Basketball team of the Week, led the Tri-Metro Conference in freethrows made, and was a chief reason that the St. Francis Saints copped the Conference first in freethrow percentages. Russ Coons ranked second in Assists, and along with Steve Smith, Tony Davis, Jim Larson, Andy Scardigli and Dave Hanson, all seniors, played their last year in a Saint's uniform. "Obviously, next year we will be staring over again in building the team," added Coach Trygstad.

New Clubs Offer New Opportunities

Three new clubs, DECA, MUN, and OEA opened their membership to St. Francis students in the fall of '75. DECA, Distributive Education Clubs of America, is affiliated with the model store class, also a new addition to St. Francis High School. The main projects of the club and class are running the school store, Oasis, and making advertisements and learning and practicing selling techniques to prepare for competition at district and state leadership conferences held in the spring. MUN is a model United Nations. Students participating in MUN act as representatives of different countries about which they research information. In March MUN members traveled to Yankton, South Dakota, where they joined students from across the country in a mock UN session. OEA stands for Office Education Association, a branch of the Minnesota Office Education Association. The clubs activities consisted of a B-craft sale and mastering most general office practices in preparation for competition in regional, state and national contests.
